COUNTY NEWS IN REVIEW

County Stork—

Although vital statistics for 1939 showed 274 more deaths than births in San Mateo county, figures released last week from San Francisco revealed the true story.

San Francisco's vital statistics department disclosed that 497 San Mateo county babies were born in the metropolis last year, while only 117 San Mateo county deaths were reported there.

Daly City had the largest number of new residents born in San Francisco, 104. Runner-up was Burlingame with only 67. Burlingame and Daly City each had only 17 deaths in San Francisco, with San Mateo reaching 20. Colma had 19 San Francisco births, 3 deaths.

D. C. Baby—

From a San Mateo hospital today came reports of a baby born there Saturday, believed to be the smallest healthy baby ever born in San Mateo county.

She is the daughter of Mr. and Mrs. John Gorman, 122 Parkview avenue, Daly City, and weighed only slightly over two pounds when born and was less than eight inches long. The child is said to be perfectly formed.

She was reported holding out strongly in her incubator at the hospital today. Attaches said the family has not yet chosen a name for the baby. The mother, age 20, was also reported improving.

Broken Bottleneck—

The State Highway Commission chairman last week announced that the commission had appropriated $100,000 for continuance of the Ocean Shore highway from Rockaway Beach to Sharp Park, thereby breaking the curving, twisting strip of road known as the "Sharp Park bottleneck."

The chairman said that the engineering work on the project would commence at once and that actual construction should be started within two months.

Police Chief Urges Renewal of Licenses

Police Chief A. L. Hilton today urged all local businessmen to renew their licenses as soon as possible at the police offices in the city hall.

A ten per cent penalty will be charged against all business licenses lapsing longer than one month, the chief said.

Henry Vujevich Finds Body of Man

The body of an unidentified man about 65 years old was found at Mussel Rock, Sunday, on the Coast road half a mile north of Jake's Place, by Henry Vujevich, 182 Los Olivos avenue.

W. C. Lasswell mortuary reported that death had been the result of natural causes. The body was sent to the county morgue in an effort to identify it.

Reckless Driving Rapped Again

Two more drivers this week paid a $50 fine each on a charge of reckless driving. They were Edward T. O'Donnell, 820 Rhode Island street, and Edson Bradbury, 1419 Twenty-third avenue.

Paying lesser fines were Robert J. Hughes, 5824 Fulton, $2.50, improper parking; Theodore Golden, 340 Thirtieth street, and Stanley Paul Duncan, 363 Page street, $2.50 each, for disregarding signals; Gleneva Jorgenson, Lomita Park, and Thomas S. Gion, San Francisco, $1 each, for disregarding signals.

Architect Submits Plans

A Community Hall Movement meeting was held Monday evening in the council chambers at the city hall. Chairman Rene Brulez opened the meeting; Secretary Ethel Dorn read the minutes of the previous meeting.

Architect O. G. Hinterman presented new plans and discussed their adaptability.

It was decided that to ascertain public reaction to the movement, questionnaires should be sent out to all tax-payers.

The questionnaires would ask in part: 1. Are you in favor of a community center? 2. What location do you think preferable, Vista Grande school tract at Park View and Mission streets or Vista Grande park? 3. What raise in tax-rate would you agree to pay for the project?

Another meeting will be held February 5, 8 p. m. to receive Hinterman's report after he has examined the Vista Grande park to decide what type of building, at what cost, would be advisable for that site.

Tax rate will be computed, so that a comprehensive questionnaire can be drafted. This done, the sample will be submitted to the city council with the request to put a questionnaire into the hands of every tax-payer.

Chairman Rene Brulez expressed a hope that everyone interested in the movement will attend the February 5 meeting.

Appoint Erickson To Manage Bank

F. Erickson has been promoted to the post of manager of the Daly City branch of Bank of America, succeeding Carl E. Newman, who becomes manager of the bank's Castro-Market branch in San Francisco.

Erickson, who has been assistant cashier in the local branch for the past ten years, has a wide acquaintance in the Daly City area and has taken an active interest in several fraternal organizations. He joined the bank in 1921 as a member of the savings department in the San Francisco main office, later serving with the Livermore and San Pablo avenue, Oakland branches, before coming to Daly City in 1929.

Newman goes to his new post in San Francisco after ten years of service as manager of the Daly City branch. He has been with the Bank of America for the past twenty years, serving for two years as manager of the Geneva-Mission branch in San Francisco before moving to Daly City.

Name John Z. Anderson On Naval Affairs

Word was received here last week from Washington, D. C., that John Z. Anderson, well-known Republican congressman from the Eighth district, has been appointed to serve on the Naval Affairs committee, a body composed of ten ranking Republican leaders.

Not only was Anderson the only Western congressman to be appointed to this post, but one of the few ever to attain such recognition during his first year in Washington, according to observers.

Leaders Plan New Dress For Fair's 1940 Debut

Fair Manager

William W. Monahan, former Graduate Manager of the University of California, new General Manager of the California World's Fair. He has been working night and day to bring many new shows to Treasure Island. Work is being speeded in every department for the big opening, May 25th.

Treasure Island in a new dress, crammed with new exhibits and attractions, presenting a streamlined edition of the Golden Gate International Exposition at a reduced cost to visitors, will swing open its gates, May 25.

Foreign participation, particularly on the part of Latin-American countries, added participation on the part of counties and the communities of California and other States, cultural and educational exhibits, added Federal presentations, a new Gayway, new shows and free entertainment, fun in abundance for the children, and an even more beautiful Treasure Island both by day and by night are among the highlights of the program for the "Fair in '40."

With Marshall Dill as president and William W. Monahan as general manager, the stupendous task of creating all this is now humming at top speed. "Days of '40," the colorful pageant which will mark the opening celebration, is now well along in its preparation.

Some 700,000 annuals are now being planted, which will be in full bloom on the opening date, and new color schemes as well as new night lighting effects are also being worked out.

There will be a new "Cavalcade"—this year to be entitled "Cavalcade of America," new editions of the famous "Folies," name bands, famous artists of the stage, screen, radio and music world.

Thirty-nine Seniors Receive Diplomas

Fathers, mothers and friends filled the high school auditorium to capacity, Wednesday evening, to see thirty-nine seniors receive diplomas at Jefferson's first mid-year commencement exercises.

Fifteen boys in black caps and gowns, formed a triangle, flanked on two sides by twenty-four girl seniors in white caps and gowns, and wearing red carnations.

Commented upon favorably were the student speeches: Julia Bertini as valedictorian, Robert Christen as salutatorian, Genevieve Price as student body president and Ruth Morris as class president.

Julia Bertini received special mention for being neither absent nor tardy during four years attendance.

James Ferguson, principal of Jefferson Union high school, gave an excellent address dealing with trouble abroad and peace at home.

Local Boy Makes Dream Come True

Three and a half years ago, while attending Jefferson Union high school, Roy Wilson, 301 Crocker avenue, got a part time job at the Daly City creamery.

After a few months of learning the finer points of serving the public, Roy thought, "One of these days I'm going to run this place."

Today that thought has developed into a reality. Roy having proved his ability during the past three years, this week became manager of the Daly City creamery.

Well known locally, Wilson is a graduate of Jefferson, where he played left half on the football squad, went in for track, and won his block letter. He is probably Daly City's youngest business man.

Asked about business plans for the future, he comments, "We intend to follow the policy of giving the best service and highest quality merchandise at the fairest prices possible."

Approve Funds

Daly City council met in special session Monday evening to take care of business relating to official approval of more than $10,000 in additional funds from the State quarter cent gas tax money to be used for improving streets of major importance.

Official approval of the projects, received last week from the State Division of Highways, includes $10,000 for the improvement of Vale street from Station to Werner, Werner from Vale to Market, Market from Werner to Second; $150 for reflectors on Mission street; $350 for repair of cracks on Hanover; $150 for cracks on Templeton above Frankfort, $100 for the holes on Crocker above Templeton.

Auto Crash Lands Three In Hospital

An auto crash at the intersection of Hanover and Acton streets early Sunday morning sent three victims to the hospital, demolished two cars and damaged property at 601 Hanover street.

Harold F. Fields, son of Mr. and Mrs. John Fields, 68 Risel street, was rushed to the Alemany Emergency hospital, where he was treated for a lacerated scalp and chest bruises.

The occupants of the other car, Otto Loreing and Elmer C. Gray, both of 466 Paris street, San Francisco, were taken to the Villa sanitarium. Twelve stitches were required to close Loreing's scalp wound; Gray was treated for multiple contusions and abrasions in shoulder, right knee and left hand. Gray was also treated for head injuries.

It was necessary to tow both cars away from the scene of the

Honor Pioneer Resident

Firemen, city officials, old-time residents and a host of friends mourned the passing here last week of Altheus J. Green, pioneer Daly City civic leader and last of Daly City's original first five councilmen.

The flag on the city hall flew at half mast from the time of his death, Tuesday, at his home on 526 San Diego avenue, until after his burial in Cypress Lawn Memorial park, Thursday afternoon.

Green first came to Daly City on August 18, 1907, and joined Company No. 1 of the volunteer Vista Grande fire department that same year. For more than 25 years he remained a loyal and active member of the fire department, and was on the retired list at the time of his death.

Green was in a great measure responsible for the incorporation of the city in 1911. In recognition of his efforts, he was elected one of the city's first five councilmen, or "trustees," serving with Dennis Quilliman, Martin Oberhaus, Thomas J. Mullin and Edward T. Freyer. Green was re-elected the following term.

He served as a member of the Fire commission for several years and in 1926 helped to organize the Veteran Fireman's association, being elected its second president.

Green was a Spanish American War veteran, and belonged to the Modern Woodmen and to the San Francisco local of the Sheet Metal Workers' union.

Born February 3, 1874, in San Francisco, he lacked less than two weeks of being 66 years old at the time of his death. He is survived by his widow, Cathern, and a half-sister, Mrs. E. Knope, San Francisco.

Funeral services were conducted from the W. C. Lasswell and company, Thursday afternoon, under the auspices of the Veteran Firemen's association. The previous evening, a brief service had been said by the Richter McKinnon camp, No. 2, U. S. W. V.

Fire Department Mourns Death

Members of the Daly City Fire department mourned the passing of a tried and trusted comrade when 'Al' Green passed away, Tuesday.

Although Comrade Green had been on the retired list for a number of years, because of illness, active members turned out in full uniform at the wake Wednesday night and again at the funeral, Thursday afternoon. Comrade Green had seen 25 years' service in the Fire department.

Company No. 5 are rebuilding their meeting room and re-arranging cupboards, with materials supplied by the city council. When completed, Company No. 5 will probably be able to "high-hat" all the other companies, according to Chief Andrew P. Chesney.

The near-cloudbursts, early Friday morning, caused so much moisture in the fire alarm station that the 24-hour tape on the master test clock stretched out of place, giving the noon day signal at intervals of one minute, until shut off. All companies answered the call.

At the request of the grammar school trustees, Chief Chesney ordered a detail of firemen to safeguard the children at the graduation exercises, January 26. Company No. 3, under the supervision of Captain L. Kennedy and Chief Marshal J. Fields undertook this duty.

Jefferson Loses Basketball Game

Jefferson Union high school's lightweight and varsity cagers lost to San Mateo high at San Mateo, Friday.

The lightweights lost by a narrow margin, 18-21. At the half, the score was 9-9 and all through the last half it was a touch and go proposition and anybody's game.

High man of the game was San Mateo's Selover with 8 points. Scoring for Jeff were Filios and Razzari with 7 each, Pietsch 2, Domecus and Ferrando 1.

The varsity team did not make as good a showing as the lightweights, and lost 31-19. While the Jeffs started out by looking fair, they seemed to weaken later.

Scoring for Jefferson were Ramsey with 7 points, Giusti 6, Capps 3, Faulk 2 and Brisno 1.

Pistol Team Ready for '40

Ray Ottoboni, captain of the San Mateo Sheriff's Pistol and Rifle team, revealed today that he was ready to enter this year's competition with three five-man teams and expected even a more successful season than last year's.

The group met last Wednesday night and appointed officers for the coming year. Local men included in the group were Judge Wade H. Clay, honorary vice-president; Ray Ottoboni, team captain, and Grant Williams, secretary.

The team held a practice shoot Sunday morning and Captain Ottoboni reported that he expected great things from his men at the forthcoming matches.

More Room With Mirrors

The long polished plate glass mirrors brightening the interior of the new aluminum, rubber-sprung and rubber-wheeled luxury subway car placed in service in New York recently have a definite psychological function, designer Frank Shepard explains. They "multiply" the apparent space and lure passengers away from car doors, points of greatest congestion in rush hours.

VANITY'S A GOOD IDEA—

Although, generally speaking, vanity is looked upon as an undesirable human trait it often has its points. For instance, little Mrs. Smith might be content with her shabby brown dress if it were not for the fact that dashing Mrs. Jones had just acquired a svelt black affair that looks as if it had marched off the cover of Vogue.

Mrs. Smith just knows she could look as attractive as Mrs. Jones, in her own demure way, of course. Therefore she puts her ingenuity to work and at small cost makes herself an outfit that expresses her own personality. Not only does this move give her a greater sense of self-satisfaction, it adds something of charm to the life of her husband and friends. She looks better, she feels more attractive and consequently actually is more attractive.

Treasure Island in San Francisco Bay is getting a new dress, studded with beautiful exhibits and attractions. This, we feel, is cause enough for Daly City to get just the least bit jealous, to show just enough vanity to emulate Mrs. Smith and fashion ourself a new dress, so that in our own sphere our city may be a beauty too.

It costs surprisingly little to fix those sagging garage doors, to plant a border of bright colored flowers along the walk, to paint the house, to put those ugly trash barrels out of sight.

Little things make a residential section look either trim and neat or neglected and shabby. Hence, each of us is responsible for the personality of Daly City. Surely we want it to look its best for the fair in '40. More than that, we can be sure that any effort spent in fixing up the old homestead is going to directly benefit us, making us walk with firmer tread as we approach a spic and span house that invites pride and enjoyment.

Death Writes 'Finis' To Career Of Jimmy Britt

Death wrote "Finis" to the colorful career of James Edward (Jimmy) Britt, 61, in San Francisco last week. A world-famous pugilist, Britt helped to make history in Daly City and Colma, in the days when this district was the fight center of the Pacific coast.

He was at the height of his career as lightweight when a fight was anything from twenty to forty-five rounds. His toughest opponent was the Durable Dane, Battling Nelson, whom he fought four times, winning three of the matches.

About 1910, Britt forsook his career as boxer and took up vaudeville. Success nearly equal to that which he had met at fisticuffs still followed him. Britt made the famous ring poem, "The Kid's Last Fight," known to every corner of the globe; old timers still talk about it now.

Much has been said and written about Britt's courage, both physical and mental, particularly his feat of coming back successfully against Nelson, only a few short months after Nelson had knocked him out.

Britt was the bright star in what was perhaps the brightest constellation of lightweights the Coast has ever seen.

The star has set—and with its passage goes much of the romantic early background of Daly City and Colma.

Eighteenth Installment

History of Daly City Fire Department

(Editor's Note: This is the eighteenth installment of an informal history of the Daly City Fire department, dedicated to "those who serve—not for personal gain—but for the welfare of all."

Through the cooperation of William J. C. Goldkuhl, E. W. Goldkuhl sr., and Edward W. Goldkuhl jr., authors, and the Daly City Record this interesting story is made available to the general public.)

In 1937 the addition of a new assistant chief, Elmer Kennedy of Company Number 2, took place. The plans for a drill tower to be patterned after San Francisco's famed drill tower were discussed. Also at this time, quarterly drills with three companies working together were instituted into the department. Birthday parties for the promotion of good fellowship were held by all the companies. And the Daly City Fire department participated with enthusiasm in the first annual county fiesta and featured there the showing of its first fire wagon.

By April 4, 1938, the installation of the alarm system with a new type of air horn took place in the annexed section of Colma. This made a total of four horns; one located at the pump station on Niantic street, one at the city hall, one in the new Colma section on Werner street and one at Company 4, Peoria street.

Already early in this year, six members of the department attended a fire college held at South City to instruct all fire departments throughout the county in the latest and best systems of fire fighting. Upon completion of this course, the members attending were to come back and pass the knowledge they had acquired on to the general department. As always, the Daly City Fire department was striving for perfection.

This year, 1939, after thirty-one years of volunteer service, the Daly City Fire department is composed of five fire trucks equipped with hose, chemicals, ladders, axes and practically every implement necessary to fight fire; one first aid truck; a fire alarm system that covers the town from one end to the other; and six houses to house the trucks and provide halls where meetings are held. Subsidiary organizations include a Veteran Firemen's association, the Widows and Orphans association, a Building Fund committee, a Past Chiefs' association and a Board of Instructors from the fire college.

Local Eagles Plan "Old Timers Night" For Official Visit, February 8

On Thursday, February 8, Roy L. Driggers, state president of the Fraternal Order of Eagles, will make his official visit to Colma Vista Grande Aerie No. 1848, meeting in Eagles hall, 6276 Mission street, according to Bert Meritt, president of the local aerie.

In addition to being the official visit, the meeting will be known as "Old Timers Night," with three members of the organization, Ed Heim, Vernon Shaw and William Bolger, receiving 20-year veteran buttons.

A turkey dinner will be served. The social committee is headed by William Wright and the membership committee by Otto Schramm.

Roy L. Driggers

The guest of honor for the evening is a past president of the Porterville Eagles Aerie No. 1351 and for many years a resident of that city. He now holds the position of assistant superintendent of schools and attendance officer of Kern county.

It is the first time in history the Eagles have called a school man to head the California State Aerie, putting the leadership of 60,000 members of the order in this state in the hands of a well known educator and champion of working people and one who has always defended the cause of equality.

Drigger's record with the Fraternal Order of Eagles is outstanding. He was president of the Porterville Aerie when it had less than 200 members and through his leadership the aerie takes a leading part in all community activities.

Driggers has been active in the State Aerie for several years, serving on the old age pension committee when the present old age legislation was enacted into law.

Survey Shows Decline Of Births and Marriages

Marriages and births in the ranks of the state's young persons have dropped materially because of unstable economic conditions and a lack of job opportunities, according to new findings of the California Youth survey made public today by the State Relief administration.

"The number of marriages of persons between the ages of 20 and 29 each year since 1930 shows directly the influence of changes in economic activity," the survey said.

"Attendant both upon the delay in marrying and the insecurity in recent years has been a light drop in the birth rate, not only in youth but all families have been affected by economic insecurity.

"General consideration of the youth problem can not ignore such serious tendencies within these most vital of human relationships," the survey concluded.

Ghosts And Gags Vie In Mystery, 'Cat And Canary'

That ever-enlarging legion of screen and radio fans who look to Bob Hope for the ultra in gag comedy can prepare to laugh—and to be thrilled—when his new starring picture, "The Cat and the Canary," is presented tomorrow at the Daly City theatre for the first time locally. And, in the bargain, they can make ready to see Bob indulge in plenty of romanc-

Paulette Goddard

ing with one of the loveliest leading ladies (his gorgeous co-star, Paulette Goddard) ever to evade a menacing hand (the hand of "The Cat" in this case, naturally).

Lest there be any who haven't heard, it must be recorded now that his role in this picture is being hailed as Bob's best. With a fine sense of fitting, Bob has been cast as a radio comedian, and has been provided with the best gags he has ever had.

Miss Goddard is seen as a magazine illustrator, but, symbollically, she is "The Canary" of the title, the young lady who is unfortunate enough to be pursued by "The Cat."

Companion feature on the new bill is "Dust Be My Destiny," starring John Garfield and Priscilla Lane.

Friends Honor Popular Bride-To-Be

Miss Myrtle Smith, 167 San Diego avenue, was the recipient of a dinner and bridal shower, given by Mrs. Nora Cabano, 24 Como street, Thursday evening.

The table was tastefully decorated in white, with a huge basket of white hyacinths for centerpiece. Beside the centerpiece were tiny figures of bride, matron and maids of honor. Place cards were miniature white baskets adorned with small silver bells.

Many presents were given to Miss Smith and later dinner was served. Guests present were Mrs. Mary O'Brien, Mrs. Dan O'Brien, Mrs. H. Hewer, Mrs. Louise Trucko, Mrs. Irene Hurlburt, Mrs. Catherine Sundermann, Mrs. George Mills, Mrs. George McLeod, Mrs. William Yeager, Mrs. Lena Atkins, Mrs. Lloyd Rockwell, Mrs. Robert Jecona, Mrs. Fred Shaughnessy, Mrs. Santa Salvatto, Mrs. Amelia Stevens, Mrs. Betty Bonbietti, Mrs. Donna Kernen, Mrs. Florence Hermosilla, Mrs. Mary McLeod, Mrs. Frances Waldon, Mrs. Anna Maloney, Mrs. Blanche Cabano, and the mother of the guest of honor, Mrs. Leona Smith; Miss Betty Mygrant, the Misses Gertrude and Shirley Atkins, the Misses Lorraine, Evelyn and Rose Navarro, Miss Gladys Matucci and Jennie Ancelmi

Miss Smith's wedding to Stephen Navarro, 163 Mangels street, San Francisco, will take place the latter part of February. Navarro is a graduate of Balboa high school and is well known in Daly City, while Miss Smith is a graduate of the Class of '37, Jefferson Union high school.

Colma Ships Coffee Abroad

"Little do we think when we sit down to our breakfast coffee, that the beverage we accept as part of our daily living is in reality a luxury in other countries."

Thus spoke Johnny Stanghellini, partner-manager of Lucca Ravioli company, Colma, while discussing green coffee sales of the past few months.

"We have shipped six thousand pounds of coffee abroad, upon instructions received from customers as far north as Washington state," continued Stanghelini, "but particularly to Italy, where coffee is reserved for the army and hospitals and costs over 80c a pound."

Coffee is packaged, labelled, and mailed from the Colma postoffice. According to Postmaster Frank Micheletti, postage on these packages has approximated fifteen dollars a day for several months.

Coffee is shipped green because when roasted it loses its strength rapidly. Upon arriving in Italy, a duty of 23 lire per kilo is paid, which amounts to about 60c per pound.

Comparing other retail sales figures, Lucca Ravioli company has probably sold more green coffee than any other retailer in the entire San Francisco bay area.

Jeweler's Widow Taken by Death

Funeral services were held at the James H. Reilly and company memorial chapel in San Francisco, Friday morning, followed by a requiem mass at Our Lady of Perpetual Help church. Interment was in Holy Cross cemetery.
